# Researching Your Irish & Scots Ancestors

Ulster Historical Foundation, Belfast, Northern Ireland,

Featuring Fintan Mullan & Gillian Hunt

Monday, March 14, 2016, 8:00 AM – 4:00 PM

Bethel Assembly of God Church  
132 Kirkland Road, Chehalis, Washington 98532

## Want to discover your Irish and Scots-Irish Ancestors?

Many people believe that researching Irish ancestors is impossible because of the destruction of the Public Record Office in 1922. While many records were destroyed, others survived and have come online in recent years.

Join experts Fintan Mullan and Gillian Hunt from the Ulster Historical Foundation to learn how to get the most out of Irish resources and records, gain strategies for breaking down brick walls, and grasp important historical context that may help fill in gaps in your research. Whether you are just beginning your Irish research or have been at it for years, you won't want to miss this workshop!

With sixty years' experience of serving Irish people everywhere, let the [Ulster Historical Foundation](#) help you discover your family's story.

Although the Foundation is based in Northern Ireland, the information presented will be of interest no matter where in Ireland your ancestors came from.
